2:25 pm	Refreshment Break
2:45 pm	Physician Burnout: A Silent Epidemic <i>Michelle Y. Owens, MD, MS, FACOG</i>
3:30 pm	The Modified Labor Curve: A Safe Approach to Prevent the First Cesarean <i>Alison Stuebe, MD, MSc</i>
4:15 pm	Q & A
4:30 pm	Adjourn

COURSE INFORMATION

This course was designed to meet the educational needs for obstetricians/gynecologists, maternal-fetal medicine specialists, family practice physicians, nurse midwives, nurse practitioners, and other clinicians who care for high-risk obstetrical patients. This course will focus on the latest research and advancements in high-risk obstetrics. Our expert faculty will present current, evidence-based guidelines and strategies for managing some of the high-risk maternal and fetal conditions that can occur during pregnancy.

Educational Objectives

Based on the information presented, the participant will be able to:

- Discuss management options for the fetus with IUGR.
- Identify the genetic abnormalities that cause hemoglobinopathies.
- Assess symptoms of physician burnout and determine how best to avoid.
- Discuss the developmental and evolutionary rationale for the "4th Trimester".
- Describe appropriate support for mothers with cardiometabolic risk factors for breastfeeding difficulties.
- Review the safety and effectiveness of using the modified labor curve to reduce primary cesarean rates.
- Describe at least three elements of a perinatal safety culture.
- Identify elements of a perinatal safety culture through case-based examples.

Disclosure

Saint Thomas Health is committed to providing CME that is balanced, objective, and evidence-based. In accordance with the Accreditation Council for Continuing Medical Education Requirements and Standards, all parties involved in content development are required to disclose any relevant conflicts of interest related to the topics of this education activity. Saint Thomas Health has established mechanisms to resolve conflicts of interest should they arise. Any potential conflict of interest or off-label use will be disclosed to the audience prior to the activity.

Accreditation

Saint Thomas Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Saint Thomas Health designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for ACOG credit has been filed with the American College of Obstetricians and Gynecologists. **Determination of credit is pending.**

Non-physician participants will receive a Certificate of Participation following this activity.

LOGISTICAL INFORMATION
