Course Information

Please join us for our 2022 *Ascension Saint Thomas Comprehensive Cardiovascular Update*. All clinicians are invited to participate in Day 1 only, Day 2 only, or both days.

Day 1: Friday, June 3rd: This day is designed to meet the educational needs of primary care physicians, hospitalists, physician assistants, nurse practitioners, and other healthcare professionals who guide patients' heart health.

Day 2: Saturday, June 4th: This day is designed to meet the educational needs of cardiologists, cardiothoracic surgeons, perfusionists, physician assistants, nurse practitioners, and other healthcare professionals who manage patients with cardiovascular disease.

Ascension Saint Thomas Foundation

Thank you to the Ascension Saint Thomas Foundation for its generous support in honor of caregivers who participate in this conference. Our Foundation aligns itself with the mission of serving all persons, with special attention to those who are poor and vulnerable. It shares in Ascension's mission to provide spiritually centered, holistic care that sustains and improves the health of our communities. The Foundation relies on generous donors who support serving our ministry with compassion and gratitude for our caregivers.

COVID-19 Information

In light of COVID-19, we will incorporate ways to protect the health and safety of all, including potential masking and vaccination requirements. Our auditorium and conference rooms offer sufficient space for participants to enjoy interacting in a safe environment. In addition, registration has been limited. Ascension Saint Thomas will continually assess the safety of hosting the conference in-person, and will reach out with additional information, if necessary. Thank you for your understanding and cooperation.

Learning Objectives

As a result of attending the Keynote Presentation and Dinner, learners will be able to:

- Recognize the scope and use of cardiovascular registries at Ascension.
- Describe examples of the role of registries in advancing high quality cardiovascular care.

As a result of participating in Day 1 of the conference, learners will be able to:

- Describe technological and pharmaceutical advancements in cardiovascular care.
- Develop strategies for optimal care of patients with cardiovascular diseases and conditions.
- Apply current guidelines, standards of care, and salutary practices to the care of patients with cardiovascular conditions.
- Identify scenarios for appropriate referral to cardiovascular specialists.
- Enhance collaboration with cardiovascular specialists for optimal patient outcomes.

As a result of participating in Day 2 of the conference, learners will be able to:

- Describe technological and pharmaceutical innovations in cardiovascular care.
- Articulate clinical recommendations and conclusions derived from current cardiovascular research.
- Develop strategies for applying clinical recommendations and innovations in practice.
- Apply current guidelines, standards of care, and salutary practices to the care of patients with complex cardiovascular conditions.

Learning objectives for each educational session will be provided at the conference.

2022 Ascension Saint Thomas Comprehensive Cardiovascular Update

Friday and Saturday, June 3-4, 2022 | Ascension Saint Thomas Hospital West

Accreditation and Credits

Ascension Saint Thomas is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Ascension Saint Thomas designates this live activity for a maximum of 16.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Allied Health Professionals and other learners will receive a Certificate of Participation following this course.

Financial Disclosures

Ascension Saint Thomas is committed to providing CME that is balanced, objective, and evidence-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence in Accredited Continuing Education, all individuals who have the opportunity to control content are required to disclose any financial relationships with ineligible companies whose primary business

is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Ascension Saint Thomas has established mechanisms to mitigate relevant financial relationships. Disclosure of relevant financial relationships with ineligible companies will be provided to learners prior to the activity.

Special Accommodations

Ascension Saint Thomas believes that participation should be available for all individuals. If you are in need of individualized accommodations, please contact the Ascension Saint Thomas Office of Continuing Medical Education at astcme@ascension.org.
