Office of Continuing Medical Education

Saturday, October 29, 2022

Offered at
Ascension Saint Thomas Hospital Midtown
2000 Church Street
Nashville, Tennessee 37236

Ascension Saint Thomas

Course Information

Please join us for our Obstetrical Emergency Simulation conference. This education is designed to meet the practice needs of obstetricians/gynecologists, maternal-fetal medicine specialists, family medicine physicians, nurse midwives, nurse practitioners, and other healthcare professionals who care for obstetric patients.

Ascension Saint Thomas Foundation

Thank you to the Ascension Saint Thomas Foundation for its generous support of this conference in honor of caregivers who participate. Our Foundation aligns itself with the mission of serving all persons with special attention to those who are poor and vulnerable. It shares Ascension's mission to provide spiritually centered, holistic care that sustains and improves the health of our communities. The Foundation relies on generous donors who support serving our ministry with compassion and gratitude for our caregivers.

COVID-19 Information

In light of COVID-19, we will incorporate ways to protect the health and safety of all as appropriate at the time of the conference. Our auditorium and conference rooms offer sufficient space for participants to enjoy interacting in a safe environment. Ascension Saint Thomas will continually assess safety, and we will reach out with additional information, if necessary. Thank you for your understanding and cooperation.

Faculty Information

Course Director

Reagan M. Saig, MD

Director, Obstetrical Simulation
OB/GYN Hospitalist
Ascension Saint Thomas Hospital Midtown
Assistant Professor, Department of Clinical Medical Education
University of Tennessee Health Science Center College of Medicine

Faculty

Phillip L. Bressman, MD

OB Hospitalist
Ascension Saint Thomas Hospital Midtown
Program Director, OB/GYN Hospitalist Fellowship Program
Assistant Professor, Department of Clinical Medical Education
University of Tennessee Health Science Center College of Medicine

Arielle B. Grand, MD

Obstetrics and Gynecology
Heritage Medical Associates

Audrey E. Levy, DO

Fellow Physician, OB/GYN Hospitalist Program
University of Tennessee Health Science Center College of Medicine

Nancy B. Lipsitz, MD

Chief of Obstetrics and Gynecology

Registration fees include food, beverages, and educational presentations. You will receive a confirmation email upon registration. If you do not receive a confirmation email, please email Katlyn.Brooks@ascension.org.

Learning Objectives

As a result of participating in this conference, learners will be able to:

- Assess for obstetric critical care emergencies.
- Develop strategies for appropriate treatment of obstetric critical care emergencies based on current guidelines.
- Perform appropriate technical maneuvers/treatments for obstetric emergencies.
- Analyze current evidence-based recommendations for management of hypertension in eclampsia.
- Develop strategies using evidence-based recommendations for appropriate management of hypertension, headache, and/or seizure related to eclampsia.
- Utilize evidence-based strategies for appropriate management of hypertension, headache, and/or seizure related to eclampsia.
- Implement appropriate care plans to treat hypertension, headache, and/or seizure based on current-evidence based recommendations for eclampsia.
- Determine early warning signs and symptoms for maternal sepsis.
- Develop strategies to appropriately manage maternal sepsis with an interprofessional team.
- Implement appropriate care plans based on early warning signs and symptoms for maternal sepsis.
- Determine the most common presenting events of an amniotic fluid embolism.
- Develop strategies for appropriate treatment with an interprofessional team.
- Implement appropriate treatment for AFE, which may include delivery to facilitate resuscitation and for newborn survival.
- Develop strategies to implement use of POC ultrasound in practice to provide enhanced care for pregnant patients.
- Demonstrate the ways in which POC ultrasound can be used at the bedside for the pregnant patient.
- Determine risk factors for shoulder dystocia.
- Perform the appropriate technical maneuvers to manage a shoulder dystocia emergency.
- Determine the causes and stages of postpartum hemorrhage.
- Develop appropriate strategies for the prevention and treatment of hemorrhage.
- Implement a care management plan to avoid hemodynamic decompensation and ensure rapid response to postpartum hemorrhage.

Accreditation and Credit Statements

Ascension Saint Thomas is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Ascension Saint Thomas designates this live activity for a maximum of 7.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for ACOG credit with the American College of Obstetricians and Gynecologists is pending.

Allied Health Professionals and other learners will receive a Certificate of Participation following this course.

Financial Disclosures

Ascension Saint Thomas is committed to providing CME that is balanced, objective, and evidence-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence in Accredited Continuing Education, all individuals who have the opportunity to control content are required to disclose any financial relationships within the past 24 months with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Ascension Saint Thomas has established mechanisms to mitigate relevant financial relationships. Disclosure of relevant financial relationships with ineligible companies will be provided to learners prior to the education.

Special Accommodations

Ascension Saint Thomas believes that participation should be available for all individuals. If you are in need of individualized accommodations, please contact the Ascension Saint Thomas Office of Continuing Medical Education at ascme@ascension.org.
